PROFESSIONAL EXPERIENCE

Webflow | Remote

May 2025 – Present

Product & Developer Marketing

- Leading product marketing for Webflow's developer platform.

Builder.io | Remote

August 2023 – April 2025

Head of Developer Marketing & SEO

- Owned developer-centric marketing campaigns, both paid and organic.
- GTM strategies for Visual Copilot, showcasing AI technology that converts Figma designs into production-ready code.
- Optimized 153 pages, resulting in 1.2m visitors, 132k signups, 388 MQLs, and \$727k in revenue. Built 66 net new pages ranging from developer frameworks to integrations/solutions and blog articles.
- Led SEO tactics aimed at discoverability and growth. Organic visitors increased from 56k/mo to 147k, and signups from 2k/mo to 13k, generating an additional \$1.9m in revenue.
- Built the content engine for scalability, leading DevRel and marketing content strategies.
- Monitored website SEO health, improving technical issues and content along with improving core web vitals.
- Managed web architecture, strategies, and conversion rate optimizations.
- Project-managed launch events, developer webinars/livestreams, product launches, social media, and software review strategies.

Pangea | Remote

October 2022 – August 2023

Marketing Director

- Built a product-led growth developer marketing program, resulting in a 16.59-fold increase within the first year.
- Owned web strategy and content management, achieving 56% organic growth with a 22% conversion increase.
- Managed messaging and positioning, including a newly established category (SPaaS).
- Lifecycle marketing and CRM management.

Contentful | Remote

March 2021 – October 2022

Senior Developer Marketing Manager, Developer Relations Manager

- Led a team of 4 developer advocates, fostering a collaborative and productive work environment.
- Executed developer acquisition campaigns that resulted in 67% signup growth and increased activation rate by 16% year-over-year in 2022.
- Improved developer discoverability through search engine optimization, keyword research, and paid search.
- Managed developer pathways to the product via the website and educational material aimed at enhancing the developer portal and documentation.
- Managed the developer strategy for technical content – blogs, knowledge base articles, and starters, contributing to 63% organic growth year-over-year in 2022.
